Beschreibung zur Unterkunft

The apartment is just recently renovated with high quality materials, kitchen appliances and designer furniture and lighting. The apartment is very quiet, one bedroom is looking into the courtyard and the other one with a street view (basically no noise when windows closed).

The location of the apartment is fabulous, right in the heart of a buzzing, up-and-coming district Margareten, just a few mins walk to the main shopping street Mariahilferstrasse or 2 metro stops to Karlsplatz.
