Beschreibung zur Unterkunft

Welcome to our charming and spacious apartment nestled in a century-old building, where history meets modern comfort. As you step inside, you'll be captivated by the grandeur of the vintage doors adorned with intricate brass grips, setting the tone for your unique stay.

Our apartment boasts two generously sized and incredibly comfortable beds, ensuring a restful night's sleep for you and your fellow travelers. For those moments of relaxation, a TV is at your disposal to unwind after a day of exploration.
The apartment features a roomy walk-in wardrobe, perfect for organizing your belongings and making you feel right at home. The well-equipped kitchen includes a dishwasher and an oven, allowing you to prepare your favorite meals or try your hand at local cuisine, making your stay even more convenient and enjoyable.

Now, as for the location, we want to be transparent. The apartment is situated on the 3rd floor, and unfortunately, there's no elevator. However, think of it as an opportunity for a little exercise and a chance to admire the historic architecture as you ascend.
