Descripton of accommodation

We recently renovated the whole place with a lot of love. The apartment is very close to the center of Klagenfurt, faces against west and is very brightly.

You will have a stunning view to the sunset. The apartment is very quiet as we established noise insulation windows.

The bed of the apartment is hidden in a closet and has the size of 140 x 200 cm. In the daytime you just close the cabinet and have then a lot of space in the room. Bed linen and towels are included.

A little kitchenette with 2 hobs are good for cooking small things. China, cutlery and pots are included. The fridge also has a little freezing department.

The bathroom is quiet large for this small apartment and stylish in grey. All very clean and newly renovated.

If you need, you can use the laundry room in the house. Just let us know with the booking because we need to prepare an extra key for you.
