Descripton of accommodation

The accommodation, which used to be a doctor's office, offers 2 separate bedrooms, one of which is furnished with a comfortable double bed and one with 2 single beds. The small but fine kitchen offers the possibility to provide for yourself. The shower/bathroom is pragmatically located in the WC. The private washing machine is located in the "children's bedroom". Despite the central location, the accommodation is quiet. After stressful working days you can enjoy the sunrays on the balcony. Right in the middle instead of just being there! This location leaves nothing to be desired. You can reach the famous old town of Salzburg in about 10 minutes by foot, or alternatively by public transport in about 2 minutes. Despite the central location, the apartment is comparatively quiet. Due to the proximity to the main station you have of course the full choice concerning public transportation. From trolleybus, over S-Bahn to the international train service, everything is at your disposal.

The small shopping center Kiesel - here you can also register at the residence for secondary residence purposes - offers a fine selection of stores. Apart from that you will find a new shopping center with the Forum, which offers pretty much everything from mobile phone providers to pharmacies.
