Descripton of accommodation

The flat is particularly captivating because of its bright and inviting style. I lived in it myself with my family for the last 6 years and now I am pleased to be able to offer our guests a temporary home. In the spacious bright anteroom you will find the wardrobe, a shoe rack and another shoe rack with seating. Immediately to the left is the bright and spacious bathroom with bathtub, from where you can take a full bath and look up at the starry sky through the skylight. There is also a washing machine in the bathroom. The spacious toilet is equipped with its own washbasin. In the cosy bedroom there is a king size bed with a full-length large mattress and high-quality blankets and pillows. Other highlights are the large and bright dining-living area, from where you can see the large terrace, the green surroundings and the surrounding villas due to the large window front.

The kitchen is equipped with all the necessary utensils and essential staples.

In the living area there is a comfortable pull-out sofa bed on which you can relax after a long day and enjoy the Internet Smart TV with a selection of 14,000 channels.
