 one minute's walk

In the immediate vicinity you find Viennese Coffeehouses, bakeries, restaurants, supermarkets, parks and of course the most important sights of the Centre of Vienna. The atmosphere of the quarter, Josefstadt, is unique: quiet and relaxation, but also a great variety of bars, cafes and theatres.... it is one of the most beautiful and human quarters of Vienna. A lot of the most important museums are only a few minutes walking distance from the apartment. Busses, trams and the subway are very close. You really do not need a car here. You can park your bicycle in front of or inside the house. There are several gyms very close and every Saturday an excellent market with organic products.
