NEIGHBOURHOOD

Gnigl is a calm and extremely safe neighborhood in the north-eastern part of Salzburg, about 15 minutes from the historic city center by public transportation.

Supermarket, pharmacy, bank, bakery, park: all in short walking distance (3-5 minutes).

Parking is free in this area and there's usually a parking spot available in front of the house or close by.

If you've had enough of sightseeing in the Altstadt, you could go hiking to the local mountains (e.g. Heuberg or Gaisberg) directly from the apartment and enjoy the view of the city from above.

TRANSPORTATION

There is a direct bus connection from and to the airport and main railway station (Obus Line 2).

There are regional bus and railway stations (S-Bahn) to explore the region (20 min to Fuschlsee, 30 min to Mondsee) in walking distance.

There are several car rental stations in the area.

Plus various city bus stations within 3-5 minutes walking distance (250-350m) to go to the city center (10-15 minute ride, depending on which part of the city you want to go to).
