Descripton of accommodation

Central but very quiet location in a green area and two balconies to the west with an unobstructed view. University clinic can be reached in 10 minutes on foot, city center can be reached in 15-20 minutes - both ways along the Inn promenade. Beautiful bike paths (5 and 10 minutes by bike). But also good bus connections for those who rather take a bus - 4 stops to the clinic, 5 to the center (7-10 minutes).

Beautiful, modern bathroom with a floor-level rain shower, very large mirror and lots of storage space.

Fully equipped kitchen.

Completely new, unused box spring bed and large bedroom with a large sliding/revolving door wardrobe.

Tasteful furniture with plenty of space (solid wood tables, comfortable dining chairs and a large, comfortable sofa).

Small anteroom with a cloakroom.

Two balconies, one of which is glazed, has a large sliding window and is intended as a storage room.

The underground car park can be cleared by arrangement.

Free parking outside is available.
