Description of accommodation

Nestled between the Danube and the famous 2nd district, the 20th district is one of the most rapidly developing in Vienna. Stores for daily needs, a fruit and vegetable market, as well as various national and international and international restaurants can be found in the immediate vicinity and are only a few minutes' walk away. The nearest streetcar station is practically on the doorstep.

The studio is located on the second floor of a typical Viennese Wilhelminian style building (elevator available). The windows face a quiet side street with an unobstructed view.

Equipment:

Anteroom with checkroom

Bathroom with shower, washbasin and WC

Living room/bedroom with double bed, fully equipped kitchen, free-standing bar for eating and drinking.

The bed disappears into a wall cupboard with little effort, allowing even more space to be created if required. space can be created if required. We are happy to place a travel crib in the apartment if very young young guests are with you.
