Infrastructure

Due to its central location, you are able to discover many popular sights and historic places of the city both by foot and with public transport. In general I would describe the area as very charming, quiet and safe but also quiet and safe. The school, playground, the beautiful church with its small park as well as nice restaurants and cafes give the area a special flair.

Connection to public transport is perfect - two tram lines departing almost in front of the house as well as Metro, trains and City Airport train at Wien Mitte station offer perfect connection to the city or the airport.
Moreover the area offers hairdressers, post offices, supermarkets, pharmacies, bakeries within walking disance.

The Prater - the local green recreation area of Vienna, as well as the popular sunny Donaukanal are very close.
