Descripton of accommodation

Freshly renovated luxury country villa, embedded in a beautiful park with old trees. Offers an ideal location for business people, as well as an upscale private retreat.

The house is equipped with antiques, but corresponds to the latest standards (plumbing, TV, WIFI, etc.). A contact person is located in a separate building on the same site.

The villa offers representation space for larger meetings, as well as a sheep space for up to 8 people. It's hard to resist the luxurious, rustic charm of this turn-of-the-century gem. The location is quiet, but the connection to the public transport network is just a few minutes' walk away.
