The chalet is located at a small lake. The neighborhood is fairly quiet and the house is big enough to fit 2 adults and one child. On the right side, there is one garage which is big enough to fit a medium sized car. U can enter the house through the garage as well as the main entrance, which is located right next to it. After entering, u will see the kitchen to your right and if you walk straight ahead, you enter the living area, where the bathroom and the bedroom for a child is on the left side and the bigger bedroom for two adults is located to the right. The bathroom is equipped with a shower, toilet and a washing-machine. At the very back of the chalet, there is the sauna, which is very relaxing on cold days.
