Description of accommodation

This beautiful large one-room apartment impresses with its flair. Above all, the extraordinary room height ensures coziness and indoor climate. The apartment is quiet and yet central. You can access the staircase via the common entrance to the apartment on the 2nd floor. The 2nd floor is at your disposal.

The small private bathroom is located next to the apartment apart.

The location is very quiet, yet within a 20-minute walk you can reach the city center and the famous festival house. Should you still arrive by car, you will find sufficient space on the road - Kurzparkzone without costs. One car can be parked on the private property without time restrictions, but this will block the driveway. Therefore, this option is only available upon prior arrangement with the lessor.
