In a few hundred meters you will reach the bus stop in the direction of the city and by car it is only a few minutes to the center of Salzburg.

The apartment itself has everything you need for a temporary professional stay.

From the fully equipped kitchen, to the bathroom with its own washing machine, to the WLAN connection, everything is available.

If you are traveling by car, you have your own underground parking space.

We can also provide you with a bicycle, with which you can easily and quickly get to the center of Salzburg via the Salzach cycle path.
