The heart of the apartment is the open living area of approximately 25 m², featuring a comfortable sofa, a dining table for up to 6 people, and a flat-screen TV with high-speed WiFi. The kitchen was newly installed at the beginning of 2024 and comes fully equipped with a 4-plate cooker with oven, fridge-freezer, dishwasher, coffee machine, Nespresso, filter coffee, and a complete set of crockery and cooking utensils. A fridge-filling service is available on request.

The private bathroom includes a bathtub, WC, washbasin with mirror cabinet, and hairdryer – towels, shampoo, soap and toilet paper are all provided. The spacious entrance hall features a large built-in wardrobe as well as a vacuum cleaner, ironing board and iron.

The loggia offers a pleasant outdoor space with a green view. A washing machine is available in the basement, and a bicycle storage room is free to use.
