Descripiton of accommodation

My little nest offers a well-equipped kitchen where you will find everything you need for a few days or even a longer stay - refrigerator, freezer, mini oven, hob, cookware, vinegar & oil, salt & pepper, more spices as well as a Nespresso coffee machine, stand mixer, kettle.

In my cozy living room you will find, among other things, a pole dance as well as a corresponding mirror and a cozy reading corner.

In the adjacent room you will find a large workspace with W-Lan (40Mbit) monitor, keyboard & mouse which is perfect for home office - as well as a cozy loft bed, including TV with Netflix.
Under the loft bed is a closet space, which is still partly used by myself - you will find plenty of storage space there.

In the bathroom there is a washing machine and a hairdryer.
