Descripiton of accommodation

NEW OPENING!

We look forward to welcoming you to our brand new renovated loft apartment “Hunter’s Suite, at the Heart of Hartberg”, where design meets tradition, as from July 1, 2023!

The Hunter’s Suite is right in the pedestrian zone of the historic old town of Hartberg, in the green heart of Styria. What sets the apartment apart is the very quiet, yet central, top location with a front-row view of street festivals and traditional parades.

Our guests don't need to worry about the short-term parking zone or parking space, there is a private parking space in the inner courtyard available free of charge.
We have worked diligently and hard so that we can open in time for the summer and offer our guests full comfort and cozy cosiness, enriched with great attention to detail. And we believe we succeeded! The photos speak for themselves.

We look forward to great guests and acquaintances, mi casa es su casa!
