Descripton of accommodation

The rooms are divided as follows:

- Spacious vestibule with space for a wardrobe
- Separately located and fully equipped kitchen (including oven, stove, extractor hood, refrigerator, wash-ing machine)
- Bathroom with window, washing area, bathtub/shower
- Separate toilet with a washing area
- 2 spacious rooms that can be used as a bedroom, children's room or study
- Large living and dining area

The bright apartment impresses above all with its typical old building flair: high rooms, stucco, double doors, herringbone parquet. In addition, the apartment offers various built-in cupboards and therefore plenty of storage space. You access the garden-side balcony via the bedroom. The heating and hot water preparation takes place using a gas heating sys-tem. A cellar compartment completes the offer perfectly!
