Descripton of accommodation

The apartment is characterized by large windows. The three rooms are flooded with light and can be darkened by electric external blinds if necessary. Two large terraces invite you to stay and relax. The temperature of each room can be regulated by its own thermostats in the cold season and cooled by the air conditioning in the summer. The view goes directly "into the green" and is not obstructed by any high-rise buildings.

Infrastructure

The bus stop is located directly in front of the house. The subway station is about a three-minute walk away.

A supermarket and a pharmacy are about a three-minute walk away.

The SCS - Shopping City South can be reached by bike or car in five minutes.

The center of Vienna can be reached by bus or subway in 20 to 30 minutes.

The apartment is perfectly located on the southern outskirts of Vienna - local suppliers and pharmacy can be reached "around the corner" on foot in a few minutes, a large shopping center is located a few minutes away by bike or car and the slip roads to the West and South Motorways can be reached in five to ten minutes. You avoid nerve-racking traffic jams through the city. With public transportation (bus stop directly in front of the house, subway station about five minutes walk away) you can quickly reach any address in the city of Vienna. Your own car, your own bike, you park safely and without further costs in the in-house underground parking.
