Living & Sleeping

2x Single bed

Descripiton of accommodation

We offer a luxurious company apartment with 2 box spring single beds, kitchenette, private bathroom/ Shower/toilet, workplace, TV, internet and free parking space.
Separated from the main house in its own area on the ground floor and with its own access via a secluded, sunny courtyard, you can relax wonderfully.
The studio is therefore recommended all year round for summer visitors, winter sports enthusiasts, hikers, those seeking relaxation and business travelers.

In the photos you can see the two single beds (box spring beds) pushed together to form a large king-size bed (180 x 200 cm). However, these can easily be pushed apart to form two single beds (each measuring 90 x 200 cm) with enough space between each other so that two company employees can sleep comfortably here.
