Description of accommodation

The apartment is cozy, impresses with its hippie Bobo charm and was my author's place while studying literature. Many small details exude good vibes, create a feel-good character and make you want to experience the magic of the city of Vienna. The kitchen with a small dining table is separated from the main room by a door. The bathroom with shower is also separated from the kitchen by a sliding door and the toilet is in an extra room. You can't use almost 35 square meters better. :) In addition to many useful household items (small mobile oven, toaster, vacuum cleaner, beautiful dishes), you have a rental scooter at your disposal!
