Descripton of accommodation

Welcome to Fürstenfeld!

We have a generous flat / apartment with 3 meter height rooms, 2 separate bedrooms, large living room with a large sofa and luxurious cushions for two people, with tolerable access to the thermal capital Fürstenfeld. Bathroom with bathtub and washing machine, large anteroom with sliding door wardrobe for your clothes, separate toilet and allocated parking space. Bicycles have enough space in the lockable bicycle cellar on site. The center of Fürstenfeld or even the town hall can be reached within 10 minutes of walking. Some wine growers are also within walking distance. The closest Bad Loipersdorf thermal spa is within 5 minutes by car - or a quarter of an hour by bike - almost on the doorstep. Athletes of all kinds will get their money's worth in the region, golf courses, thermal baths, wine/apple route, the hilly region is particularly popular with cyclists.

The apartment itself is on the 3rd floor - and can be reached with an elevator. The historic building was initially a kind of monastery, later a high school with a boarding school, before it was completely gutted, renovated and converted into apartments. The small forest around the house is ideal for children - the playground in front of the house can also be used.

We - Domenik & Miriam - wish you a great, relaxing stay in one of the most beautiful regions in Austria! Eastern Styria
