## Descripton of accommodation

The apartment is accessed via the separate staircase. An intercom and electronic locking system are available. As soon as you enter, you will be impressed by the bright and spacious rooms with many details that are necessary for a pleasant stay. The window fronts face in all 4 directions and thus provide maximum views of the city and countryside. 2 separate bedrooms with double bed and various wardrobes offer space for rest. The windows can be darkened and offer very good privacy and heat protection. Via the large living room with dining table, living area, TV, tiled stove and much more, you can reach the open kitchen with kitchen island and pantry or experience the conservatory with 180 degree panoramic view of the mountains. You can choose between a breakfast table or work desk, and there is also a couch for a good night's sleep. The bathroom with shower, bathtub, infrared cabin and service island can be reached via the hallway with automatic lighting. The WC is separately accessible. A separate freezer and various cleaning appliances are available.

---

The apartment is located on the second floor of a residential and workshop building. Access via separate entrance door and staircase. The very generously built apartment has been completely renovated and is state of the art.

The location at the end of a cul-de-sac with a direct view of the mountains and the wonderful green area between the city and province of Salzburg provide an additional relaxation factor! Grocery stores, bank/bankomat, gas station, bakery, pharmacy, pastry shop, restaurants, etc. are in the immediate vicinity. You can reach the city center or the surroundings of Salzburg in 15 minutes by public transport. The local recreation areas "Hellbrunn" - "Leopoldskron" - "Freisaal" can be reached in a few minutes on foot or on extensive bicycle tours. The landlords live and work in the building. The landlords attach great importance to sustainability with solar panels, photovoltaics, heat pumps and electromobility, and the property has its own electric charging station!
