Descripton of accommodation

The house offers everything you need for a luxurious, enjoyable life on 3 floors. Kitchen appliances from Gaggenau, fully automatic coffee machine from Jura, Thermomix, underfloor heating, 3 bathrooms by Philipp Starck-Design, sauna with steam function & infrared lamps as well as a huge garden with lounge furniture, outdoor dining table, swing, trampoline and fruit trees. Huge glass fronts and roof trusses made of natural wood create a bright and cosy atmosphere. Not forgetting the 4 x 2 metre custom-made Swiss stone pine bed. You have all the luxuries of the city and yet you are still in a natural paradise where foxes and hares say goodnight to each other. Drums, concert timpani and Bösendorfer grand piano also available! As there are no direct neighbours, you can let off steam in terms of noise and don't have to show any consideration. That's freedom!
