Descripton of accommodation

The Gasometer Vienna, an architectural landmark and a vibrant center for culture, entertainment and living. These historic gas holders, which once formed the industrial heart of Vienna, have been lovingly restored and transformed into a modern complex that offers a unique blend of history and innovation.

The location of the Gasometer Vienna is unbeatable. Located in the heart of the Simmering district, it is just a short subway ride (U3 station directly in front of the building) from the city center while offering a quiet yet well-connected environment. The connection to public transport is excellent and there are numerous shops, restaurants and leisure facilities in the same complex.

The infrastructure of the Gasometer Vienna leaves nothing to be desired. The complex offers a variety of amenities including shopping centers, gyms, restaurants and cafes.

It is also home to a variety of cultural venues that offer a varied program all year round.

The apartments in the Gasometer Vienna are just as impressive as the surroundings. Modern design, high-quality furnishings and well-thought-out floor plans create a living ambience that is both stylish and comfortable.

Discover the charm and versatility of the Gasometer Vienna and let yourself be enchanted by its unique flair.
