Descripiton of accommodation

●●● 40m² flat with open park view in the central, super lively fifth district of Vienna, in a one century old building, second floor, no lift. Small entryway + slim bathroom + compact kitchen + 20 m² living room + 10 m² second room.
Bed linen, towels, cooking utensils, etc. included + fastest internet to top it off!
● The entryway offers space for coats, jackets and shoes and holds also a medicine cabinet with essentials.
● The slim bathroom welcomes you with a big window onto a small yard, a toilet, a washing basin with mirror cabinet above it and a shower.
● The wall between entry, bathroom and kitchen is entirely built of glass bricks, so daylight is everywhere!
● In the compact kitchen you find cooking hob, a large microwave with grill and a spacious fridge/ freezer. The famous De'Longhi Dedica espresso machine is waiting for you on the counter. Laundry washing machine and dishwasher are newly installed. Of course the essentials are there for your cooking. All electrical appliances are new!
● In the sunny living room a difficult choice awaits you: If you seek recreation the analog way, help yourself from the huge library wall with top choice books in four languages (EN,DE,IT,FR). If you rather want recreation of the digital kind, switch on the 77 inch TV with the Bose soundbar and relax on the big Roland Rainer-leather sofa. But if you prefer working on your fitness, just grab some weights of the variable dumbbell set!
● The second room can be entered from two sides, one entrance leads into the wardrobe area, the other entrance brings you to your desk with a luxurious leather swivel chair. In the middle of the room sits your wooden (no metal!) King Size Bed (180cm) with a brand new mattress.
●●● You surely will love your time in Vienna!
