Descripiton of accommodation

This apartment is located in Schallmoos at the end of Linzergasse. The neighborhood here is lively in the middle of the center and is anything but sleepy. Here you will find young people, more singles and couples than families.

The apartment is located on the mezzanine floor of a Ceconi villa with only six units. It has three large rooms plus kitchen, spread over a total living space of around 90 m². The room height of almost 3 meters is impressive!

THIS IS HOW YOU LIVE HERE. In this apartment you have two large bright bedrooms, all centrally accessible from the entrance hall, a living room and a fully equipped kitchen including dishwasher and fully automatic coffee machine (Jura) as well as a kitchen island with 4 seats. The daylight bathroom has a shower, washbasin, WC and towel dryer.

CONCLUSIONS. The absolutely central location of this apartment makes it extremely attractive for anyone who wants to enjoy life in the middle of it rather than on the side
