Descripton of accommodation

The studio apartment is located on the second floor of an old building that was completely renovated in 2013. It consists of a large living/bedroom with a comfortable double bed, a sofa that can also be used as a sofa bed, a TV and a dining table. The fully equipped kitchen has everything you need to prepare various meals, as well as an espresso machine and a washing machine. There is also a small anteroom and a private bathroom with a shower, sink and toilet.

As I run a business on the ground floor, there is always someone on site to answer any questions. My daughter Petra lives in the attic with her family. She takes care of communication with our guests.
