Descripton of accommodation

The apartment in question is located in a multi-family house in the immediate vicinity of the Götzner train station, which can be reached in about 2 minutes on foot. The building was recently completed, so it is a first occupancy. The popular shopping center "Garnmarkt" can be reached on foot in about 10 minutes, the highway connection to the A14 is also just a few minutes drive away. The state capital Bregenz and Lake Constance are about 20 minutes away by car/by train, also to Liechtenstein.

The barrier-free apartment is fully equipped and has a very generous living area of about 105m² in addition to an approximately 35m² large, covered terrace with southern exposure.

Located on the top floor of the house, the elevator leads through the apartment door into an open entrance area, from which doors lead to the bathroom and the bedroom. The very spacious living/dining room with integrated kitchen is flooded with daylight from all sides and the front terrace of about 35m² invites you to sunbathe on warm days. A practical storage room, a private basement compartment and an underground parking space are included. The infrastructure of the house also offers a bicycle storage room and a lockable garbage collection room.
