#### **Descripiton of accommodation**

The apartment is located on the second floor of an old building that was completely renovated in 2013. It consists of a large living/bedroom with a comfortable double bed, a sofa that can also be used as a sofa bed, a TV and a dining table. There is also another room which is furnished with a sofa bed, a chest and a TV. It can be used as a bedroom for two or as a retreat room for relaxing or watching TV.

The fully equipped kitchen has everything you need to prepare your meals, including an espresso machine. There is also a small anteroom, a private bathroom with shower, sink and washing machine and a separate toilet.

As I run a business on the ground floor, there is always someone on site to answer any questions. My daughter Petra lives with her family on the top floor. She takes care of the communication with our guests.
