Description of accommodation

EN:

I am renting out my cozy 1.5-room apartment on Ampfererstraße from June 12th to August 1st.

The apartment is approximately 39 square meters. There's a Spar nearby, the Inn River - delightful, lots of nice neighbors - even better, and a private art gallery in the hallway featuring works from Innsbruck's best artists (my friends). The location is truly a dream (Triple A as they say in the industry - or something like that).

The apartment has a separate kitchen, a bathroom with a bathtub - AMAZING, and a chill room.

The apartment comes fully furnished, ideal for couples who like it cozy or singles. I think it would be a bit too cramped for three people.

If interested, just send me a PM :)
