Descripiton of accommodation

A well-maintained, quiet atmosphere. Centrally located, everything is within walking or cycling distance (rental city bike). Many bus and tram stops are nearby, as well as numerous restaurants, cafes, and grocery shops. A sun lounger in the garden is always available for a sunny retreat. The floor comprises several bright, renovated rooms arranged symmetrically. Central heating. The accommodation does not have cooking facilities or a kitchen, apart from a tea or filter coffee maker in the room. A lockable storage area for bicycles or various sports equipment is available in the basement. Bed linen and towels are changed, but personal laundry cannot be washed and/or dried on the premises. A coin-operated laundry, "Bubble Point," which is also open on weekends, is located approximately 100 meters away on the same street. A basic cleaning of the rooms at the end of your stay is available for a fee. General house rules apply: no parties are permitted, and the night rest must be observed between 10:00 PM and 6:00 AM.

Infrastructure

Grocery shop in front of the house, open from monday to saturgay

The house is surrounded by a private garden, and a public park. The city center with shops, offices, the university and the clinic are at walking distance. Busses and trams to different institutes and libraries.
The ski busses to various valleys are also at walking distance. Mountain stations for hiking, climbing or skiing are to be reached within short intervals. The city offers many fantastic sports facilities, besides that also museums, cultural events and special historical sightseeing attractions.
