Descripiton of accommodation

Welcome to the Mitterer holiday apartment in the Grubhof castle park in St. Martin near Lofer in the Saalachtal valley in Salzburg. The Grubhof apartment complex is embedded in a beautiful castle park and is surrounded by the Lofer and Leoganger Steinbergen.

The castle park with its Grubhof Castle extends over 15,000 m² and offers space for leisurely walks with a fountain, fish pond, various sculptures and shady trees.

You don't have to do without anything during your holiday. For your sports equipment there is a ski cellar and a bicycle storage room, of course lockable. You can keep your body in shape in the fitness room or in the indoor swimming pool and for dirty laundry there is a washing room with washing machine and tumble dryer. A table tennis room as well as the lounges can be used freely. A kiosk is open every morning for the most urgent shopping and ordering bread rolls.

The skiing areas of the 3 countries Freizeit Arena Almenwelt Lofer, Steinplatte in Waidring and Heutal in Unken are only a stone's throw away, the festival city of Salzburg can be reached by car in about 40 minutes.
