Infrastructure

 Atzgersdorf railway station, 5 minutes by feet

There are shops within a 7-minute walk - a supermarket, a drugstore, everything you need for your daily needs or even a cafe within a 2-minute walk. There is also a pizzeria, a flower café and an Asian restaurant directly in the residential complex, which has already received several awards. At the weekend there is also a farmers market where fresh food is offered. In general the area is a quiet residential area.
