Description of accommodation

The apartment, located in a traditional Viennese building, stands out due to the height of the living space, which gives it a very spacious feel. From a small entrance hall, you can access both the bathroom, equipped with a shower, toilet, and washing machine, and the living area. The living area is divided into a sleeping and a living section and also includes a kitchenette with a well-equipped kitchen. Three large windows ensure that the apartment is beautifully bright despite being on the elevated ground floor. A loft, accessible by a staircase, provides space for a large drying rack and storage, such as for suitcases.
