Descripiton of accommodation

The attic apartment is flooded with light, lovingly and stylishly furnished. The almost 100 square meters extend over 3 levels and you have the feeling of being in a house.
The entrance level is the large living and kitchen area with a Poggenpohl kitchen and fireplace, from where you can access the first terrace. On the lower level are: one bedroom and 1.5 bathrooms with a large walk-in shower. The upper level has another 18 square meter, very green terrace.
All the rooms open out onto courtyards and the entire apartment has oiled oak flooring.
My favorite corner is probably the lounge sofa, from where you can see the terrace as well as the fireplace.
