Descripton of accommodation

The quietly located accommodation extends over 65 m² and offers cozy space for 2 people. All rooms are centrally accessible via the entrance hall. The bright living room has approx. 20 m² and invites you to linger after long working days. There is also a smart balcony, which is ideal for soaking up the sun and also for smoking if required. Please observe the strict smoking ban in the apartment itself. The fully furnished kitchen is separate, which has the advantage that odors remain in the kitchen. The kitchen also has a window for sufficient light and ventilation. The private washing machine is also located here.

The bathroom has a bathtub with shower niche. The WC can be accessed separately.

The bedroom is similar in size to the living room. In addition to the double bed (1.40 x 2.00 m), there is also a desk for a home office. The mirrored wardrobe also offers plenty of storage space for luggage and other items. As all the windows in the apartment face the quiet side street, nothing stands in the way of a restful night's sleep.

There is also a practical storage room in the 2-room apartment, which can also be accessed from the entrance hall.
