Descripton of accommodation

The tiny house is fully furnished and has all the utensils you need to live in immediately without any hassle.

The house has a bedroom, a children's room/study, a kitchen-living room, a bathroom with toilet, air conditioning, a terrace and its own garden.

The tiny is very thoughtfully designed and laid out, so that the 25m² appears much larger. The solid wood creates an excellent atmosphere in the house. And the terrace and garden for your own use are further highlights.
