Descripiton of accommodation

We are renting out our home, which was completed in 2023. It is constructed of solid wood with an open-concept layout and offers many beautiful views both inside and out. The rooms are spread across 4.5 floors, connected by a centrally located staircase. The ground floor features a very spacious kitchen-living room and a guest bedroom. The other bedrooms are located on the upper floors. At the very top, there are two studios, each with a balcony.

The house has either polished concrete floors or hardwood floors, as well as underfloor heating throughout. The garden surrounds the house and includes a tiny house and a large terrace.
