Descripton of accommodation

It's a lovely 2 room flat, 5 minute walk from Kepplerplatz metro station. There's also the tram O and bus 14A that is 2-3 minutes walk. Viktor Adler market is around 7 minutes walk. Hauptbahnhof - the main train station is around 10-12 minutes walk, and hence direct connections to airport too. In the newly constructed building, everything is new and furnished less than a year old.

The balcony, around 7 m, opens into the courtyard, and is especially comfortable place to hang out. The flat has underfloor heating and can also have around 1/2 degrees of cooling if it's too hot. It has been furnished in a way that the place feels spacious but still has everything that s necessary.
