Description of accommodation

Graz Nord/Eggenberg/Gösting.

The new apartment impresses with its well-thought-out layout and many amenities. A beautiful garden with a terrace and a parking space in the underground garage are also part of the apartment. Of course, the apartment also comes with a fully equipped kitchen. The price-performance ratio is perfect – you'll be thrilled and can move in easily and enjoy a comfortable home with little effort.

The single-story, atrium-style residential building was built in 2016/17 and consists of only a few units, which further improves living quality and privacy. The apartment is ideal for singles, couples, or students. Due to its convenient transport links and garage parking, the apartment is also perfect for people who rely on their car.
