Descripiton of accommodation

Although the apartment is located in the center of Vienna, right in the 16th district, it offers absolute tranquility. A special highlight is the private rooftop terrace, as well as a very large communal rooftop terrace with a stunning view over Vienna. The apartment is situated at the rear end of the hallway and has only one direct neighbor on one side. However, this neighboring unit is an artist's studio that is not in constant use.

The absolute tranquility is further enhanced by the fact that all windows face the terraces and inner courtyards, completely absorbing the street noise from Wattgasse. This ensures a peaceful and relaxing atmosphere.

Additionally, there is the option to rent a bicycle. Another great advantage is the elevator, as well as the air conditioning, which ensures a pleasant indoor climate during the summer months. The modern kitchen is fully equipped with all essential appliances, including a dishwasher.
