## Descripton of accommodation

This modern apartment is located in a building constructed in 2019 and stands out for its quiet location with a noise level of only 35-40 dB outside. This allows for comfortable night ventilation in the summer without any issues. Underfloor heating and central ventilation ensure a consistently pleasant indoor climate by continuously supplying fresh air, eliminating the need for manual ventilation and guaranteeing a healthy living environment at all times.

The apartment is equipped with new mattresses for a restful sleep. There is also ample storage space: a clothes rack, a spacious wardrobe, bedside tables, and shelves in the living room provide plenty of room for personal belongings.

For professionals or students who commute by bike, a dedicated bicycle storage room is available on the ground floor.

This apartment offers modern living comfort, a pleasant atmosphere, and thoughtful amenities—perfect for a relaxed and comfortable stay.
