You are at the top of the house and therefore have a magnificent view towards the Schlossberg and over the roofs of Graz. One of the convincing things is the good room layout. At around 72m, the apartment is divided as follows. The first room and the open living room can be reached via the anteroom. Adjacent to the living room is the kitchenette, which continues into the bathroom. The bathroom has a bathtub and a toilet. From the living room you can also get to rooms 2/3.
