Description of accommodation

Bright, Newly Renovated Altbau Apartment with Balcony in a Quiet Highly Central Location

This charming apartment is located in a classic Viennese period building. Recently renovated and fully furnished (first occupancy), it has been carefully restored while preserving its original character. The building is small, equipped with an elevator, and inhabited by only a few residents – primarily young families – creating a peaceful, friendly, and pleasant living atmosphere.

The apartment is filled with natural light and features a small balcony overlooking a quiet inner courtyard with chestnut and cherry trees. Despite its central location, the view offers a sense of calm and relaxation, away from the bustle of the city.

An open dining area connects the tastefully furnished living room with a brand-new, fully equipped kitchen, creating a welcoming and harmonious living space. A typical period-style passageway leads to the bright and comfortable bedroom, which includes a bed, wardrobe, bedside table, lamp, and curtains.

Between the living and sleeping areas lies a spacious bathroom, equipped with a large shower, double washbasin, mirror, cabinet, underfloor heating, heated towel rail, and toilet.

The entrance area offers a practical hallway with a wardrobe and storage space for coats and shoes, as well as a utility room with a washing machine, dryer, vacuum cleaner, cleaning supplies, iron, and ironing board.

A powerful air conditioning system ensures a pleasant indoor climate, even on the hottest summer days.

Additionally, a fast and stable internet connection (600 Mbit/s) and a modern smart TV provide excellent connectivity – ideal for both leisure and comfortable remote working.

The apartment is fully equipped with everything you might need, including bed linen, kitchenware, cooking utensils, electrical appliances, towels, and more.
