Descripton of accommodation

This apartment is well stocked and comfortable for unwinding after a long day or equally for camping out and enjoying home office time. Either way, it's perfectly situated for making quick trips to the supermarket, pharmacy, local eateries, etc. and just a 10 minute walk from the enormous expanse of the Prater park, complete with walking paths alongside the river all the way to the 1st district. The rooms are very well partitioned in such a way that each person in the family can find retreat and be by him/herself to concentrate or even cook curries with the door closed. We absolutely adore this place most of the year and only allow ourselves to take leave in summer since we have a summer home in Dalmatia.. The first thing we miss is access to excellent Asian food right downstairs! .. apart from that, it's also right near the underground and other bus lines. It's the perfect place for combining going out and chilling at home.
