Descripton of accommodation

Location & Surroundings:

Just a few steps separate you from the idyllic Lake Wolfgang – one of the warmest and clearest lakes in the Salzkammergut region. Whether for swimming, relaxing, or water sports, the lake offers a unique natural experience in every season. And best of all: it's free to enjoy at the public bathing area "Bacherlwiese."

The charming center of St. Wolfgang is easily reachable in about a 10-minute walk. There you'll find cozy cafés, small boutiques, and the boat landing stage. A bus stop is also located nearby, ensuring good connections throughout the region.

The surrounding area offers a wide range of leisure activities: hiking, cycling, cultural events, and culinary highlights make your stay varied and enjoyable all year round. The historic town of Bad Ischl is only about 18 km away, and the world-famous Mozart city of Salzburg with its international airport is approximately 50 km away.

Layout & Amenities:

The apartment offers a living space of around 45 m² and impresses with a well-thought-out layout. Two cozy bedrooms provide private retreats – one of them with direct access to a sunny south-facing balcony (approx. 5 m²), from which you can enjoy a breathtaking view of Lake Wolfgang and the surrounding mountains.

The open-plan living and kitchen area creates a welcoming atmosphere. The modern fitted kitchen is functionally integrated and offers ample space for shared meals and social gatherings. It is fully equipped and includes a dishwasher, high-quality appliances, a capsule coffee machine, kettle, and toaster.

The bathroom has been stylishly renovated and features a high-quality walk-in shower. A separate toilet adds extra comfort.

The entire property was extensively renovated a few years ago and is in excellent condition.

Leisure Activities:

The swimming and water sports offerings leave nothing to be desired (SUP and boat rental just 200m from the apartment). Various running routes – flat or with elevation – start right at the doorstep and lead through the stunning landscape. Hikes of varying difficulty levels and countless marked cycling tours around Lake Wolfgang and to nearby lakes make the area a true outdoor paradise and an e-mountain bike hotspot.

For rainy days, alternatives include a visit to the Wellnessalm spa, the Hallstatt salt mine, or the city of Salzburg.

Work Environment:

The very quiet residential location offers an undisturbed working atmosphere. Each bedroom is equipped with its own desk, allowing two workspaces to be used simultaneously. For breaks, in addition to enjoying a Nespresso coffee, a refreshing dip in Lake Wolfgang is always close at hand.
