Descripiton of accommodation

This colorful 30 m² apartment in Vienna's 17th district offers a well-thought-out layout that makes everyday life straightforward: the bedroom, kitchen and bathroom are clearly separated from one another – a real advantage for anyone who values structure and a little privacy at home.

The bedroom can be set up flexibly: you can choose between a double bed or two single beds, depending on your preference. The fully equipped kitchen comes with a dishwasher, microwave, coffee machine and espresso machine, as well as all the cooking utensils and tableware you need. The private bathroom is stocked with a hairdryer, shampoo, soap and toilet paper. A washing machine is available in the apartment, with an additional communal washing machine in the building. Wi-Fi, TV, a vacuum cleaner, iron and ironing board, and cleaning supplies are all provided.

A particularly handy detail: two more apartments are located on the same floor, making this an excellent base if colleagues or family members also need accommodation in Vienna. The apartment has a private entrance and a dedicated desk for working from home. A lift in the building makes arriving with luggage easy. Please note that smoking and pets are not permitted. Regular cleaning can be arranged at an additional cost.

This apartment is well suited to commuters, project staff, tradespeople and anyone looking for comfortable, fully furnished temporary accommodation in Vienna.

The apartment is located in Vienna's 17th district, Hernals, offering a highly practical setting for professionals and expats. A Hofer supermarket is just steps away, with additional options such as Lidl and Billa reachable within a short walk. A good variety of restaurants and cafés in the immediate vicinity makes everyday life straightforward. Public transport connections are excellent: Hernals station is approximately 200 metres away, and several bus stops are also within easy walking distance. This makes getting around Vienna simple and efficient – a strong advantage for business travellers, commuters and project staff who need reliable infrastructure and minimal daily effort.
