## Description of accommodation

The apartment is situated in a rural, quiet location on the outskirts of Salzburg.

The centre of the Mozart city is 8.5 km away and the nearby Salzburg Airport can be reached by car or can be reached by public transport in a few minutes. Next to the airport there is a large shopping centre.

A restaurant with very good cuisine is only a few minutes walk away and grocery stores are also nearby.

The car parking lot is in the property, which is secured with an electric rolling gate.

All windows are equipped with an insect screen.

For relaxing walks or running activities the rural area offers many possibilities.

Or enjoy the fantastic view of the Fortress and the surrounding mountains.

With public transport there are simple and fast ways to get to your destination in the city.

The bus stop for regional bus 260 (Walserberg Röhrenwirt) is just a few minutes walk away.

In only 5 minutes you can reach the airport. From there you can change to the bus lines 2, 10 or 27.

There is also the possibility to take the shuttle service WALSIE-Bus. This shuttle service is a call taxi, which transports people from defined entry points to surrounding traffic junctions for only 1.00. The entry point GRÜN 18 is directly next to our property.
