Description of accommodation

The apartment impresses with its well-thought-out layout and functional use of every square meter. Located on the second floor, it is easily accessible by elevator. The small but efficiently designed entryway offers ample storage space for clothes and household items thanks to large wardrobes. The living and sleeping areas are designed as an open-plan space. The kitchen area blends harmoniously into the living area, and large windows and the adjoining loggia create a spacious feel despite the apartment's compact size. The dining area is versatile and can be used for preparing and eating meals, as well as for working. A cozy reading nook invites you to relax.

A washing machine and dryer are available in the basement for all residents of the building for a fee.

A bicycle cellar is available in the house free of charge.

Underground parking can be requested for a fee, but cannot be guaranteed.
